<code>.summarise_fitted_auc</code>	<i>Summarise Fitted AUC</i>
------------------------------------	-----------------------------

Description

Summarises finite species-level AUC values from fitted-model evaluation.

Usage

```
.summarise_fitted_auc(list_jsdm_evaluation_fitted)
```

Arguments

`list_jsdm_evaluation_fitted`
Fitted-model evaluation object, or 'NULL'.

Value

A one-row tibble containing fitted AUC summary statistics.
