get_presentation_dir	<i>Get presentation root directory</i>
----------------------	--

Description

Resolves the root directory of the IAVS 2026 presentation from ‘MOTHER_PRESENTATION_DIR’ or the repository root via ‘here’.

Usage

```
get_presentation_dir()
```

Value

Character scalar – absolute path to the presentation root.

Examples

```
## Not run:  
get_presentation_dir()  
  
## End(Not run)
```
